REQUEST FOR WRITTEN APPROVAL FROM THE COURT TO ACCESS INFORMATION IN THE PSC REPOSITORY

Now comes Glenn Chin and respectfully requests permission to use in his related criminal trial any material from the U. S. Legal Repository subject to the Federal Rules of Criminal procedure, any and all applicable local rules, and all rulings made by Judge Stearns regarding the admissibility of the materials in the criminal case.

Counsel for Chin states that co-defendant Barry Cadden's Request for Written

Approval from the Court to Access and Rely on Information in the PSC's Repository was allowed by this Honorable Court limited to the materials added before January 8, 2016.

Counsel further notes that since the Court allowed access for Mr. Cadden it is only fair, as argued by the government, that access to these materials be permitted as to Mr. Chin and the other co-defendants subject to the same restrictions.
